

May 17, 2019

Average fueling costs for popular East Kootenay round-trip commutes

Kimberley to Cranbrook City Centre (56 km)

Jaffray to Cranbrook City Centre (94 km)

Skookumchuk to Cranbrook City Centre (106 km)

Fernie to Cranbrook City Centre (192km)

* Graphs compare the cost of commuting in a 2018 Nissan Leaf with the cost of commuting in a 2018 model of the three most popular gas-powered vehicles sold in their categories in Canada. Calculations are based on the average price of gas in each area on May 15, 2019 as shown on GasBuddy.com. Fuel economy numbers for gas-powered vehicles are from NRCAN's 2018 Fuel Consumption Guide.
