Average fueling costs for popular Nanaimo round-trip commutes

Lantzville to Nanaimo City Centre (32 km)

Ladysmith to Nanaimo City Centre (44 km)

Nanoose Bay to Nanaimo City Centre (52 km)

Parksville to Nanaimo City Centre (76 km)

* Graphs compare the cost of commuting in a 2018 Nissan Leaf with the cost of commuting in a 2018 model of the three most popular gas-powered vehicles sold in their categories in Canada. Calculations are based on the average price of gas in each area on May 15, 2019 as shown on GasBuddy.com. Fuel economy numbers for gas-powered vehicles are from NRCAN's 2018 Fuel Consumption Guide.
