Average fueling costs for popular Prince George round-trip commutes

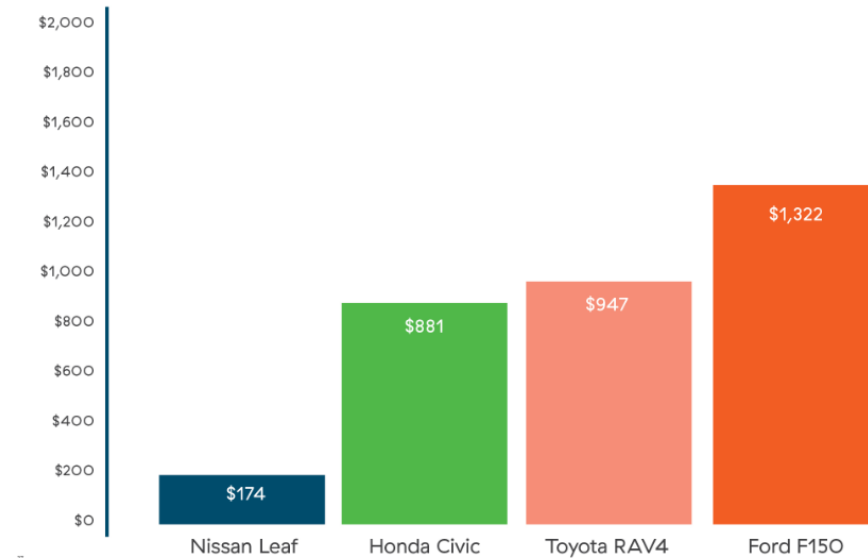

College Heights to Prince George City Centre (15 km)

Hart Highlands to Prince George City Centre (22km)

Buckhorn to Prince George City Centre (34 km)

Summit Lake to Prince George City Centre (100 km)

Hixon to Prince George City Centre (124 km)

* Graphs compare the cost of commuting in a 2018 Nissan Leaf with the cost of commuting in a 2018 model of the three most popular gas-powered vehicles sold in Canada. Calculations are based on the average price of gas in each area on May 15, 2019 as shown on GasBuddy.com. Fuel economy numbers for gas-powered vehicles are from NRCAN's 2018 Fuel Consumption Guide.
