

BC Hydro Alliance of Energy Professionals

Member commitment to energy efficiency

January 28, 2015

To whom it may concern,

BC Hydro is pleased to recognize ABC Company as a registered member of the BC Hydro Alliance of Energy Professionals.

The Alliance is a network of qualified trade professionals — contractors, installers, distributors, engineers and system experts who assist BC Hydro's industrial and commercial customers in identifying, investigating and implementing energy efficiency solutions.

As an Alliance member, ABC Company is able to assist you in accessing eligible BC Hydro incentive funding for your energy-efficient upgrades.
