Building owner's consent for aggregation of residential consumption and monthly autoupload to Energy Star Portfolio Manager

I _____ (First and last name),

☐ strata council member

☐ building owner/landlord

☐ authorized representative of the building owner/landlord

representing multi–unit residential building (MURB) located at _____ ,

Street address   City   postal code

having BC Hydro account number for **common area** as _____ ,

authorize BC Hydro to**:**

○ aggregate monthly residential consumption for this building,

○ Upload 3 years of historical aggregated monthly consumption and automatically upload aggregated residential consumption to Energy Star Portfolio Manager on a monthly basis,

○ confirm number of residential accounts associated with this building,

○ generate MURB Aggregation Code, and

disclose this code to _____ (requester's first and last name)

AND

I authorize the requester to obtain MURB Aggregation Code from BC Hydro and set up autoupload of aggregated residential consumption for this building in Portfolio Manager, as per BC Hydro's Portfolio Manager Web Services Terms and Conditions, for the purposes of building energy benchmarking.

I understand that I or subsequent strata council member/building owner/landlord can withdraw this consent by sending a written request to BC Hydro at **incentives@bchydro.com.**
