Subject: Join the Compressed Air Aware Team.

Re-thinking the way we use compressed air at work is an easy way to make a big impact. Reducing our energy use is something we can all take part in promoting in our workplace.

We are looking for [\[enter # of volunteers you'd like\]](#) volunteers to join the team to help run a “Compressed Air Aware” Campaign; a great way for employees to engage in energy-sustainable behaviours at work.

If you're interested in becoming a volunteer please reply to this email and I'll follow up to schedule a kick off meeting.

If you have any questions, please let me know.

Thank you.
