

CleanBC Go Electric Home and Workplace Charging Program

Multi-Unit Residential Building EV Charger Rebate

Strata Corporation or Co-op Board Consent Form

Application number (for administrative use):

For the Strata Corporation or Co-op Board Authority:

The CleanBC Go Electric Home and Workplace Charging Program (the “**Program**”) provides rebates for single family homes, multi-unit residential buildings (MURBs) and workplaces to purchase and install eligible level 2 electric vehicle (EV) chargers and for MURBs to develop and implement EV Ready plans. Funded by the Province of British Columbia (the “**Province**”) and administered by British Columbia Hydro and Power Authority (“**BC Hydro**”) and FortisBC Energy Inc. (“**FortisBC**” and collectively with BC Hydro and the Province, the “**Administrators**”), the Program aims to encourage and accelerate the adoption of EVs, make EV ownership and charging more affordable and accessible, improve access to EV chargers, encourage the use of more energy efficient technologies, improve air quality, and reduce greenhouse gas emissions from vehicles.

As the Strata Corporation or Co-op Board for the address noted below, you are receiving this form because a resident in the building is preparing a pre-approval application for the MURB EV charger rebate and the applicant (“**the Participant**”) needs to demonstrate that they have your permission to install an EV charger at the building to be considered for rebates. The signing authority for the Strata Corporation or Co-op Board must complete this form in full and sign the declaration to provide consent to the applicant before they can proceed with purchasing and installing an EV charger. As the Program funds upgrades to the property, it is expected that the Strata Corporation or Co-op Board will pay the remainder of the project costs not covered by the rebate(s).

Important notes:

- To be eligible for the Program, the Participant:
 - Must satisfy the eligibility and other requirements set out in the Participant Rebate Eligibility Requirements (the “**Program Guide**”) and in the Participant Terms and Conditions (“**Terms and Conditions**”) documents, which are also available at goelectricbc.gov.bc.ca, bchydro.com/evcharger or fortisbc.com/EV.
 - Must receive consent from the Strata Corporation or Co-op Board to pursue the pre-approval application process for the intent of purchasing and installing an EV charger at the property providing that sufficient electrical capacity is available.
- The Strata or Co-op signing authority must complete page 2 of this form in full and sign the declaration and consent on page 3 of this form.
- The signing authority must return the form to the Participant.
- The Participant must sign the declaration and consent on page 3 of this form then submit the form to the applicable Administrator as a part of the pre-approval application process.
- If you need assistance with this form, please contact BC Hydro at evchargerincentives@bchydro.com or FortisBC at EV@fortisbc.com. For more information on the Program, visit goelectricbc.gov.bc.ca/

1. Strata Corporation or Co-op Board information

I am a signing authority for the Strata Corporation or Co-op Board of the property referenced below and hereby confirm that permission has been granted by the Strata Corporation or Co-op Board.

First and last name	Assessment roll number

CleanBC Go Electric Home and Workplace Charging Program Multi-Unit Residential Building EV Charger Rebate Strata Corporation or Co-op Board Consent Form

Declaration and consent

By signing below, I/we declare that:

- I am or we are a signing authority for the Strata Corporation or Co-op Board of the property and hereby confirm that permission has been granted by the Strata Corporation or Co-op Board for the property listed in section 2 to apply to the Program.
- I/we have read and understood the eligibility requirements for the MURB EV Charger Rebate as described in the Program Guide and in the Terms and Conditions documents.
- I/we agree to be bound by section 1, sections 6 through 10, and sections 13 through 17 of the Participant Terms and Conditions to the same extent as if I/ we are a Participant.
- I/we understand that the rebate offer is subject to the availability of funds and eligibility in accordance with the requirements and terms of the Program.
- I/we understand that the installation of a level 2 EV charger may involve electrical capacity assessments, upgrades to electrical infrastructure and other work which may be required specific to the building or property.
- The information contained in this Strata Corporation or Co-op Board Consent Form is true and complete.
- I/we understand that any willful misstatements may cause the rejection of this application.
- I/we consent to the Administrators (The Province, BC Hydro and FortisBC) collecting and relying on the information submitted on this form. I/we acknowledge that the Administrators may contact me to verify the information submitted on this form or for the purposes of administering, implementing, or evaluating the Program.
- I understand that the Administrators collect, use and disclose personal information in accordance with applicable laws, the Participant Terms and Conditions, and applicable privacy policies, including:
 - **The Province** – Freedom of Information and Protection of Privacy Act, section 26(c) and (e), 32 and 33. For more information, contact: EV Charger Rebate Program Manager at ZEVPrograms@gov.bc.ca or PO Box 9314 Stn Prov Govt, 4th floor, 1810 Blanshard St, Victoria, BC, V8W 9N1.
 - **BC Hydro** – Freedom of Information and Protection of Privacy Act, sections 26(c) and (e), 32 and 33, and BC Hydro’s Privacy Policy (available at bchydro.com/privacy). For more information, contact BC Hydro’s Customer Service at 604-224-9376 or 1-800-224-9376 outside of the Lower Mainland.
 - **Fortis BC** – Personal Information Protection Act. For more information, contact: Chief Privacy Officer at privacyofficer@fortisbc.com or Suite 100, 1975 Springfield Road, Kelowna, British Columbia, V1Y 7V7.
