

# Appliance rebates

## Clothes washer and dryer pairs

From May 1 to June 30, 2016 a wide variety of ENERGY STAR® washers and dryers will qualify for our appliance rebates. To help you find qualifying washers and dryers that work as pairs (design, colour and size), we've compiled a list below.

Appliances don't need to be purchased in pairs to receive individual rebates. Application and proof of purchase must be submitted within 60 days from date of purchase.
