Fall 2026 eligible ENERGY STAR® combination washer/dryers

You can get $100 off the purchase of an eligible combination washer dryer from October 2, 2026 to January 8, 2027.

Check out Power Smart Shop here to compare different models, prices, and availability from retailers.

There are three ways to receive a rebate:

1. Receive an instant rebate by purchasing an eligible model **in-store** at Best Buy, Canadian Appliance Source, Midland Appliance, RONA, The Brick, The Home Depot, Trail Appliances, and Visions Electronics, or;
2. Receive an instant rebate by purchasing an eligible model **online** at Best Buy, Canadian Appliance Source, Midland Appliance, The Brick, and Visions Electronics or;
3. Receive a rebate on your BC Hydro bill by purchasing an eligible model **in-store or online** at any retailer not offering an instant rebate. You'll need to submit your receipt **here** and once approved a credit of $100 will be applied to your next BC Hydro bill. **The deadline to apply for the post purchase rebate is March 8, 2027.**

Note: For customers in select postal codes, additional rebate top-ups are available, and more information can be found **here**. If your postal code is eligible, please apply for the rebate top-up **here**. **The deadline to apply is March 8, 2027.**

See Terms and Conditions for complete details and limitations. Limit two (2) eligible appliances per SKU per customer.

Please note that not all listed retailers may carry or have the below products and to check in-store or online signage regarding instant rebate eligibility.
