BC Hydro Retail Discounts Program Fall 2026

Official Terms and Conditions

1. AGREEMENT TO BE LEGALLY BOUND BY TERMS AND CONDITIONS

These terms and conditions (the **"Terms"**) apply to the BC Hydro Retail Discounts (may also be referred to as "Instant Rebates" or "Rebates") Program Fall 2026 offer described in these Terms, including all Instant Discounts, Post-Purchase Discounts and Community-Based Discount Top-Ups available under the program (collectively, the **"Offer"**). The Instant Discounts, the Post-Purchase Discounts and the Community-Based Discount Top-Ups available under the Offer are collectively referred to in these Terms as the **"Discounts"**.

Each person who participates or seeks to participate in the Offer, including by purchasing an Eligible Product, receiving or seeking to receive a Discount, or submitting an application in connection with the Offer, is referred to in these Terms as a **"Customer"**. A Customer who satisfies the eligibility requirements in Section 3 is referred to in these Terms as an **"Eligible Customer"**.

The Offer is subject to the applicable Purchase Periods, Application Deadline and other key dates set out in Section 6, as may be modified, suspended or terminated by BC Hydro in accordance with these Terms. By participating or seeking to participate in the Offer, each Customer accepts and agrees to be legally bound by these Terms.

2. PROGRAM SPONSOR AND FUNDERS

The Offer is sponsored, administered and funded by British Columbia Hydro and Power Authority ("**BC Hydro**").

For the purposes of these Terms, BC Hydro, its subsidiary or affiliated entities, and their respective officers, directors, employees, agents, contractors, representatives, successors, assignees, and those for whom they may be responsible at law shall be collectively referred to as the "**Released Parties**".

3. CUSTOMER ELIGIBILITY

3.1 General Customer Eligibility

To be eligible to participate in the Offer, **"Eligible Customers"** are individuals who reside at a valid mailing address located within the areas served by BC Hydro, as shown on BC Hydro's service area map. For clarity, residents of the City of New Westminster are Eligible Customers for the purpose of participating in the Offer, subject to these Terms. A Customer who satisfies the requirements in this Section 3.1 is an **"Eligible Customer"**. BC Hydro shall have sole and absolute discretion to determine whether a Customer is an

Eligible Customer for the purposes of the Offer, and BC Hydro's determination shall be final.

3.2 Community-Based Discount Top-Up Eligibility

In addition to satisfying the requirements in Section 3.1, an Eligible Customer may be eligible to apply for a Community-Based Discount Top-Up if the Eligible Customer resides at a valid mailing address in a community with a postal code identified as eligible on BC Hydro's Community-Based Offers and Incentives page. Community-Based Discount Top-Ups are available only for Eligible Appliances, excluding air fryers. Eligibility for, and payment of, any Community-Based Discount Top-Up is subject to these Terms, BC Hydro's verification and approval, available funding and any additional eligibility requirements stated on the applicable discount page.

3.3 Redemption of Community-Based Discount Top-Ups

To apply for a Community-Based Discount Top-Up, an Eligible Customer must first confirm whether the postal code for the Eligible Customer's valid mailing address is identified as eligible on BC Hydro's Community-Based Offers and Incentives page. A Customer whose postal code is not identified as eligible is not eligible to apply for, or receive, a Community-Based Discount Top-Up. If the Eligible Customer's postal code is identified as eligible, the Eligible Customer must submit a separate and complete application for the Community-Based Discount Top-Up through the applicable post-purchase discount page, together with all required supporting documentation, by the deadline stated on that page or otherwise specified by BC Hydro. The applicable post-purchase discount page will identify the required supporting documentation and the available payment method for an approved Community-Based Discount Top-Up. Submission of an application does not guarantee approval or payment of a Community-Based Discount Top-Up. BC Hydro may reject, deny, reverse or recover any Community-Based Discount Top-Up if BC Hydro determines, in its sole and absolute discretion, that the Customer, purchase, Eligible Appliance, application or claim does not comply with these Terms or the applicable discount page requirements. Community-Based Discount Top-Ups are available in the amounts set out in Section 4, provided the Eligible Customer satisfies all applicable requirements for each Discount.

4. THE OFFER

Subject to these Terms, applicable Purchase Periods, product availability and available funding, Eligible Customers who purchase a product listed in **Exhibit A** (each an **"Eligible Product"**) at a Participating Retailer (as per Section 5) during the applicable Purchase Period (as per Section 6) may participate in the Offer by receiving either: (a) an instant discount applied at point of sale by a Participating Retailer (an **"Instant Discount"**); or (b) a post-purchase discount available by application after purchase for Eligible Appliances

where an Instant Discount was not received (a **"Post-Purchase Discount"**). If an Eligible Customer is eligible for, applies for and is approved to receive a Community-Based Discount Top-Up, the Eligible Customer may also receive a Community-Based Discount Top-Up in addition to either an Instant Discount or a Post-Purchase Discount for the same Eligible Appliance.

Only the products listed in Exhibit A are Eligible Products for the Offer. Products not listed in Exhibit A are not Eligible Products, even if comparable or analogous to a listed product in performance, specification or functionality. For clarity, air fryers are eligible only for Instant Discounts and are not eligible for Post-Purchase Discounts or Community-Based Discount Top-Ups.

The available Discount amounts under the Offer are as follows:

Eligible Appliances:

- $100 off select ENERGY STAR® combination washer-dryers
- $50 off select ENERGY STAR® clothes washers
- $150 off select ENERGY STAR® clothes dryers
- $75 off select ENERGY STAR® refrigerators
- $200 off select ENERGY STAR® laundry centres

Air fryers:

- $25 off select air fryers

For the purposes of these Terms, **"Eligible Appliances"** means the Eligible Products listed under the "**Eligible Appliances**" heading above. Air fryers are Eligible Products but are not Eligible Appliances. Air fryers are eligible only for Instant Discounts, are subject to a maximum of one (1) Instant Discount per retailer SKU per Eligible Customer transaction, and are not eligible for Post-Purchase Discounts or Community-Based Discount Top-Ups.

Eligible Product Limitations:

Unless otherwise stated in these Terms, each Discount is applied per Eligible Product. Eligible Appliances are subject to a maximum of two (2) Instant Discounts and/or Post-Purchase Discounts, in the aggregate, per Eligible Customer during the Offer, regardless of the number of transactions and the overall limit in Section 8.

Payment of any Discount under the Offer, including any Instant Discount, Post-Purchase Discount or Community-Based Discount Top-Up, is subject to available funding and the supply and availability of applicable Eligible Products during the applicable Purchase Period. Discount amounts, Offer funding, Eligible Products, Purchase Periods and key

dates may be modified or terminated at any time without notice at the sole and absolute discretion of BC Hydro. BC Hydro does not guarantee and is not responsible for the availability of Eligible Products or Discounts, whether in-store or online, at any Participating Retailer. Discounts are not eligible for rainchecks.

5. PARTICIPATING RETAILERS

Eligible Products must be purchased from one of the retailers listed below to receive an Instant Discount (each, a **"Participating Retailer"**). Instant Discounts are available only from Participating Retailers, only through the applicable purchase channels listed below, and only at approved stores or online channels offering Instant Discounts within BC Hydro's electrical service territory. Not all stores or online channels operated by a Participating Retailer may offer Instant Discounts. Customers should confirm whether a Participating Retailer store or online channel offers Instant Discounts before completing a purchase. Purchases of Eligible Appliances from retailers, stores or online channels that do not offer Instant Discounts may be eligible for a Post-Purchase Discount in accordance with Section 8.

Participating Retailers for Eligible Appliances:

- In-store shopping: Best Buy, Canadian Appliance Source, Midland Appliance, RONA, The Brick, The Home Depot, Trail Appliances, and Visions Electronics
- Online shopping: Best Buy, Canadian Appliance Source, Midland Appliance, The Brick, and Visions Electronics

Participating Retailer for air fryers:

- In-store shopping: Best Buy, Canadian Tire, Costco, Lond Drugs, Rona, The Brick, and Visions Electronics
- Online shopping: Best Buy, The Brick and Visions Electronics

6. PURCHASE PERIODS AND KEY DATES

Eligible Products must be ordered, purchased and paid in full between the dates and times set out below (each a "**Purchase Period**").

Each Purchase Period and any other key date stated in these Terms is subject to product availability, available funding and BC Hydro's right, in its sole and absolute discretion and without notice, to modify, suspend or terminate the Offer, any Purchase Period, the Application Deadline (see Section 8), and any key dates in accordance with these Terms.

Eligible Appliances:

- 12:00 AM PDT October 2, 2026 – 11:59 PM PDT January 8, 2027.*

Air fryers:

- 12:00 AM PDT October 2, 2026 – 11:59 PM PDT March 5, 2027.*

*The Offer, any Purchase Period, the Application Deadline (see Section 8) and any key dates will end or occur, as applicable, on the stated date or earlier if applicable Eligible Products are no longer available, available funding is exhausted, or BC Hydro modifies, suspends or terminates the Offer, whichever occurs first.

No exceptions will be made under any circumstances for purchases of Eligible Products made outside of the applicable Purchase Period.

7. PAYMENT OF INSTANT REBATES

Instant Discounts are redeemed automatically at checkout and no application is required, provided that the Eligible Customer purchases an Eligible Product from a Participating Retailer through an eligible purchase channel during the applicable Purchase Period and otherwise satisfies these Terms.

Instant Discounts may only be available for in-store or online purchases at certain Participating Retailers, as specified in Section 5.

In-store:

Instant Discounts are applied directly by the Participating Retailer at point of sale by reducing the after-tax purchase price of the Eligible Product.

Instant Discounts are available only for purchases made at approved Participating Retailer stores located within BC Hydro's electrical service territory. Not all stores operated by a Participating Retailer may offer Instant Discounts. If an Instant Discount is not applied at checkout, or if an Eligible Customer purchases an Eligible Appliance from a retailer or store that does not offer Instant Discounts, the Eligible Customer may apply for a Post-Purchase Discount in accordance with Section 8. For clarity, air fryers are not eligible for Post-Purchase Discounts.

Online:

For online purchases, Instant Discounts are available only to Eligible Customers who reside within BC Hydro's electrical service territory, as determined by the postal code of the Eligible Customer's shipping address. The Instant Discount, if available, will be calculated and applied at online checkout after the Eligible Customer provides a shipping address confirming eligibility. If the Instant Discount is not applied at checkout, the Eligible Customer may apply for a Post-Purchase Discount for an Eligible Appliance in accordance with Section 8, provided the Eligible Customer otherwise satisfies these Terms.

8. PAYMENT OF POST-PURCHASE REBATES

Post-Purchase Discounts are available only for Eligible Appliances purchased through an approved purchase channel in BC Hydro's electrical service territory during the applicable Purchase Period where the Eligible Customer did not receive an Instant Discount for the same Eligible Appliance. For clarity, air fryers are not eligible for Post-Purchase Discounts.

To apply for a Post-Purchase Discount, a Customer must submit a completed application through BC Hydro's Post-Purchase Discount application page at [https://app.bchydro.com/estar] (an **"Application"**). The Application must include all required supporting documentation, including a copy of the purchase receipt or invoice showing: (a) the Eligible Appliance purchased; (b) the purchase date; (c) the retailer or store or online store from which the Eligible Appliance was purchased; (d) the purchase price; and (e) confirmation that no Instant Discount was applied at checkout. For online purchases, the Application must also include proof of order completion, including proof of delivery. The Application must be submitted and received by BC Hydro no later than **March 8, 2027** (the **"Application Deadline"**), subject to product availability and available funding, whichever occurs first. Applications that are incomplete, inaccurate, submitted after the Application Deadline, submitted after applicable funding is exhausted, or not received by BC Hydro by the Application Deadline may be rejected.

BC Hydro will determine, in its sole and absolute discretion, whether the Application is complete and whether the Eligible Customer, Eligible Appliance and purchase satisfy these Terms. A Customer will be eligible to receive a Post-Purchase Discount only if BC Hydro determines that the Customer is an Eligible Customer and that all other applicable requirements under these Terms have been satisfied.

If BC Hydro approves the Application and if the Eligible Customer has a valid BC Hydro account in good standing, the Post-Purchase Discount will be credited to the Eligible Customer's BC Hydro bill as a credit. Discount is not a deduction from, variance of, or waiver of any amounts owed by the Eligible Customer for electricity service provided by BC Hydro under any applicable rate schedule.

If BC Hydro approves the Application of an Eligible Customer who resides in the City of New Westminster, the Post-Purchase Discount will be paid by cheque mailed to the address provided in the approved Application.

An Eligible Customer may not receive both an Instant Discount and a Post-Purchase Discount for the same Eligible Appliance. During the Offer, an Eligible Customer may receive an Instant Discount or a Post-Purchase Discount for a maximum of two (2) separate Eligible Appliances in total, whether received as: (a) an Instant Discount for each of two separate Eligible Appliances; (b) a Post-Purchase Discount for each of two separate Eligible Appliances; or (c) an Instant Discount for one Eligible Appliance and a Post-Purchase Discount for one separate Eligible Appliance. Community-Based Discount Top-Ups, if available, are separate from and in addition to this two-Eligible Appliance limit and may be received for the same Eligible Appliance for which the Eligible Customer receives either an Instant Discount or a Post-Purchase Discount, provided the Eligible Customer

satisfies all applicable requirements for the Community-Based Discount Top-Up. Community-Based Discount Top-Ups do not count toward the two-Eligible Appliance limit, unless otherwise stated on the applicable discount page.

9. MODIFICATION AND/OR TERMINATION OF OFFER (INCLUDING PURCHASE PERIODS)

BC Hydro, in its sole and absolute discretion, reserves the right to shorten, extend, suspend, modify or cancel the Offer (including the Purchase Periods, the Application Deadline and the scheduled start dates and end dates) at any time, without notice or obligation for any reason.

BC Hydro, in its sole and absolute discretion, reserves the right to terminate the Offer, including without limitation the Terms governing the Offer, at any time, without notice or obligation, for any reason.

By participating in the Offer, the Customer acknowledges that BC Hydro is voluntarily sponsoring, administering and funding the Offer. The Customer agrees that Released Parties have no liability for any claim, action, loss or demand, direct or indirect, which may result from a Customer's participation in the Offer, including without limitation a Customer's use or misuse of the Eligible Product, a Customer's breach of the Terms, or BC Hydro's payment or non-payment of any Discount, it being understood that such foregoing release obligation will survive completion, expiry or termination of the Offer.

By participating in the Offer, each Customer agrees to indemnify and hold harmless the Released Parties from all claims, losses, liabilities, damages and costs made or suffered by third parties, and all losses, liabilities, damages and costs suffered by the Released Parties, which relate to or arise out of breach or misuse by the Customer of these Terms or the Customer's participation in the Offer, including without limitation any party's use or misuse of the Eligible Product, it being understood that such foregoing indemnity obligation will survive completion, expiry or termination of the Offer.

10. GENERAL CONDITIONS

The Customer is solely responsible for the selection, purchase, installation, operation, ownership, maintenance and use of any Eligible Product. BC Hydro is not the manufacturer, supplier, seller, distributor, installer or warrantor of any Eligible Product and is not responsible for any Eligible Product or for any act or omission of any retailer, manufacturer, distributor, dealer, installer or other third party. BC Hydro makes no representation or warranty, whether express or implied, in respect of any Eligible Product, including with respect to quality, safety, merchantability, fitness for purpose, installation, performance, energy savings or compliance with applicable laws. Any warranties or claims relating to an Eligible Product are solely between the Customer and the applicable retailer, manufacturer, distributor, dealer, installer or other responsible third party. The Customer purchases, installs, operates, maintains and uses any Eligible Product at the Customer's own risk and is responsible for complying with all applicable laws, regulations, by-laws,

permits, codes, restrictions and inspection requirements relating to the installation and use of any Eligible Product.

The Customer agrees that no part of the Offer creates any partnership, joint venture, agency or other commercial enterprise between BC Hydro and any retailer, supplier, manufacturer, distributor, dealer, installer or other third party. The Customer agrees that BC Hydro is not endorsing any retailer, supplier, manufacturer, distributor, dealer, installer or any Eligible Product.

BC Hydro is not responsible for any discount(s), discount(s) or incentive(s) offered or provided by any manufacturer, distributor, dealer or installer with respect to any Eligible Product, which is separate and distinct from the Offer.

BC Hydro decisions relating to the Offer, including without limitation product eligibility, customer eligibility, types and number of Discounts, dates and timelines, shall be final and binding and not subject to appeal.

Customers, purchases, Eligible Products, Applications and Discounts are subject to verification by BC Hydro at any time. BC Hydro may require additional information or documentation as part of that verification and may reject, deny, reverse or recover any Discount if BC Hydro determines, in its sole and absolute discretion, that the applicable Customer, purchase, Eligible Product, Application, Discount or claim does not comply with these Terms.

By applying for any Discount under this Offer, the Customer acknowledges that BC Hydro or one of its agents may contact the Customer in the future to participate in a survey regarding this Program.

The Customer acknowledges that BC Hydro is a regulated utility and agent of the Province of British Columbia and that BC Hydro is a public body under the *BC Freedom of Information and Protection of Privacy Act* (the “Act”) and associated regulations, and agrees that any personal information BC Hydro collects in respect of the Offer is subject to the Act.

These Terms and the Offer are governed by and will be interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein, without regard to conflict of laws principles. Any dispute, claim or proceeding arising out of or relating to these Terms or the Offer shall be brought exclusively before the courts located in Vancouver, British Columbia, and each Customer irrevocably attorns to the exclusive jurisdiction of those courts.

For questions regarding the Offer, please email retailerprograms@bchydro.com.
