

Construction Update: Mission Mountain Road – Terzaghi Dam

October 10, 2026

Dear Neighbour,

We are providing an update on rockfall safety improvements near Terzaghi Dam on Mission Mountain Road. Rock scaling work, which began in May, is now complete. Shotcrete work is underway and is expected to continue until **November 27, 2026, weather permitting**,

Construction Details

Where: Terzaghi Dam at the junction of Highway 40 and Mission Mountain Road

When: Work is ongoing, with shotcrete activities expected to continue until November 27, 2026, weather permitting.

Working Hours: Seven days a week, from 7 a.m. to 7 p.m. Work hours may shift depending on conditions.

Traffic Impacts

Drivers can expect single-lane alternating traffic and temporary, intermittent road closures near the tunnel on Mission Mountain Road while construction is underway.

Delays of up to 20 minutes are anticipated. We encourage drivers to allow extra travel time and plan ahead.

For everyone's safety, please reduce speed through the construction zone and follow the directions of traffic control personnel and posted signage. Visit [DriveBC](#) for the latest road information.

If you have any questions or would like additional information, please contact us at **1-866-647-3334** or projects@bchydro.com.

We appreciate your continued patience and understanding as we complete these important safety improvements.
