

Construction Notice: Upcoming Gate Replacement at La Joie

April 15, 2025

Dear neighbour,

Please be advised of an upcoming gate replacement work at La Joie Dam. This essential project involves the use of helicopters to transport heavy materials and is critical to maintaining safe and reliable operations.

What You Need to Know

Where: La Joie Dam

Flight Path: Crossing Gun Lake Road South to and from La Joie Dam

When: 5 Flight days between mid-April and mid-June 2025 (dates are subject to change)

Working Hours: 7 days a week, approximately 7 a.m. to 5 p.m.

Traffic Impacts & Closures

Please expect the following during this period:

- Intermittent traffic delays and periodic road closures on Gun Lake Road South
- Traffic control personnel and flaggers stationed along Gun Lake Road South
- Increased truck activity along Gun Lake Road South accessing the project site
- Helicopters operations transporting materials to and from the site

Please plan accordingly and check DriveBC for the latest road updates.

Additional Information

- A Traffic Management Plan has been developed in consultation with the Ministry of Transportation and Infrastructure to ensure public safety.

We appreciate your patience and cooperation as we complete this important work. If you have any questions, please feel free to reach out.

For more information, please contact **1-866-647-3334** or projects@bchydro.com.

Thank you for your patience and understanding as we proceed with this essential work.
