

## Construction Update

### Fraser Highway and 64 Avenue, Surrey

March 13, 2025

We're working closely with the Surrey Langley SkyTrain Project team to accommodate the rapid transit extension from Surrey to Langley. This work includes the installation of new electrical poles and ductbank to accommodate the relocation of power lines from the north side of Fraser Highway to the south side.

A duct bank is a series of plastic conduits encased in concrete that house and protect underground cables. Construction will result in some eastbound and westbound lane closures and will impact driveway access on Fraser Highway.

**Where (Updated):** Fraser Highway and 64 Avenue intersection in Surrey. Please see the map on page 2 for specific locations.

**When (Updated):** Anticipated to start March 17 with targeted completion by mid-April.

**Working Hours:** Monday to Saturday from 7 a.m. to 5 p.m.

This work requires temporary traffic pattern changes. Traffic will be reduced to a single lane alternating in all directions at Fraser Highway and 64 Avenue. Access to 192 Street and some businesses east and west of 64 Avenue will be intermittent (see map on page 2).

- To access 192 Street North Fraser Highway, please take 191A Street and use Watkins Drive (see map on page 2).

Safety is our top priority. Sidewalks, bike lanes and bus stops on this route will be impacted and may not be available. Please follow the on-site signage provided by TransLink and the direction of the crew on site.

Drivers are advised to plan ahead and expect delays. Please reduce speed in the construction zone and follow the directions of traffic control personnel and posted signage. Bicyclists are advised to look for [alternative bike routes](#) while the work is underway along Fraser Highway. <https://www.surrey.ca/cycling>

If you have any questions or would like more information about our work to relocate the power lines and equipment, please contact us at 1-866-647-3334. Look for additional updates at [www.bchydro.com/skytrain](http://www.bchydro.com/skytrain).

For inquiries directly related to the SkyTrain extension project, please contact [surreylangleyskytrain@gov.bc.ca](mailto:surreylangleyskytrain@gov.bc.ca)

Above: The work zone for duct bank work on Fraser Highway and 64 Avenue, in Surrey is highlighted in blue. Access routes are in green.

**Legend:**

- Work Zone. (Blue shaded area)
- Access Intermittent. (Red line)
- Access/Detour Available. (Green line)
