

Construction Update

Industrial Avenue between 201A Street & 203 Street, Langley

August 20, 2025

We're working closely with the Surrey Langley SkyTrain Project team to accommodate the rapid transit extension from Surrey to Langley. This work includes the installation of new electrical poles and duct bank to accommodate the relocation of power lines from the north side of Fraser Highway to the south side.

A duct bank is a series of plastic conduits encased in concrete that house and protect underground cables.

This work will take place within the construction zones already in place for Surrey Langley SkyTrain construction. Our crews will be working on the north and south sides of Industrial Avenue.

Where: Industrial Avenue between 201A Street & 203 Street, in Langley. Please see the map on page 2 for specific locations.

When: Anticipated to start September 2 with targeted completion by mid-September.

Working Hours: Monday to Saturday from 7 a.m. to 5 p.m.

A planned outage will be required to safely complete this work. Once the outage is scheduled, affected BC Hydro account holders will receive a separate notification (auto-dialer and email). Please ensure your account contact information is up to date.

Safety is our top priority. Traffic is reduced to a single lane alternating along Industrial Avenue. Access to 201A Street and 203 Street off Fraser Highway will be maintained (see map on page 2). Street parking on this route will be impacted and may not be available. Please follow the signage and the direction of the crew on site.

Drivers are advised to plan ahead and expect delays. Please reduce speed in the construction zone and follow the directions of traffic control personnel and posted signage.

If you have any questions or would like more information about our work to relocate the power lines and equipment, please contact us at 1-866-647-3334. Look for additional updates at www.bchydro.com/skytrain.

For inquiries directly related to the SkyTrain extension project, please contact surreylangleyskytrain@gov.bc.ca
