

## Notice – Vegetation Work

### Fraser Highway, between 188 Street and 64 Avenue, Surrey

July 11, 2024

We're working closely with the Surrey Langley SkyTrain Project team to accommodate the rapid transit extension from Surrey to Langley by making modifications to some of our existing power lines and structures along Fraser Highway. In July, we'll undertake vegetation pruning and clearing work along Fraser Highway, west of the intersection at 188 Street towards east of 64 Avenue in Surrey.

Skilled workers employed/contracted by BC Hydro are trained in both electrical safety and tree care. Trees will be pruned and cleared using the best arboriculture (tree care) techniques to eliminate any safety hazards.

**Where:** Fraser Highway, west of the intersection at 188 St towards east of 64 Ave in Surrey.

**When:** Anticipated to start on July 18 with targeted completion by the end of July.

**Hours:** Monday to Friday, 7 a.m. to 5 p.m.

See page two for a map of the work area. If planned outages are required to safely complete this work, impacted customers will receive separate outage notifications (postcard, auto-dialer and email) with the outage details.

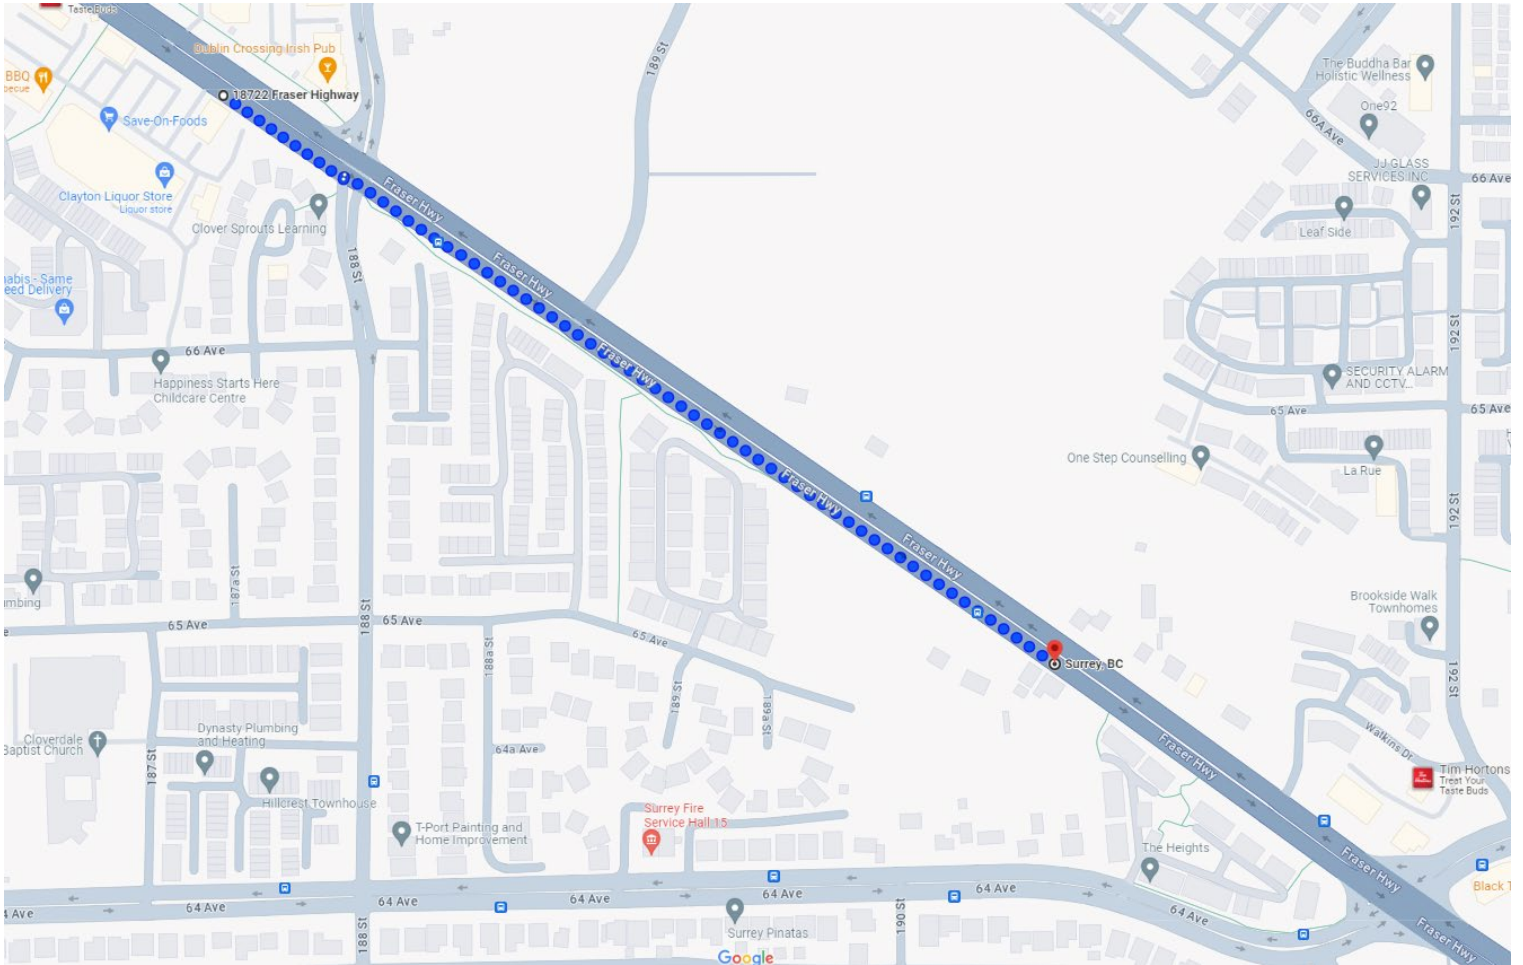

Plans for vegetation clearing work have been shared with the City of Surrey and discussed with individual property owners.

This work requires temporary traffic pattern changes. Traffic will be reduced to a single lane, in each direction along Fraser Highway. Drivers are advised to plan ahead and expect delays. Please reduce speed in the construction zone and follow the directions of traffic control personnel and posted signage.

Safety is our top priority. Sidewalks, bike lanes and bus stops on this route will be impacted and may not be available. Please follow the onsite signage provided by TransLink and the direction of the crew on site.

If you have any questions or would like more information about our work to relocate the power lines and equipment, please contact us at 1-866-647-3334. Look for additional updates at [www.bchydro.com/skytrain](http://www.bchydro.com/skytrain)
