85.0 Reference: Application, Volume 1, Chapter 9, page 9-18, Table 9-4

1.85.0(a) Are the costs shown in Table 9-4 charged to internal units as an OM&A expense and then the decision as to whether the costs will be expensed to current operations or capitalized is made by the line business receiving the charge?

RESPONSE:

The lines of business determine which costs are capitalized and expensed based on BC Hydro’s accounting policies.

Please see BC Hydro’s response to CECBC IR #1.31.2 for more information on BC Hydro’s accounting policies.
